

Medicine Wheel Stones

Snow Quartz

It absorbs, stores and regulates energy.

SNOW QUARTZ has a gentler, more soothing vibrational quality than Clear Quartz. It reminds us to look at the world through the innocent eyes of a child and remember that there is still wonder in the world. Native Americans attributed the snowy white Quartz to the Snow Moon (the full moon of January and February) and the North Wind. Keep a Snow Quartz in your car or carry with you during travels in snow.

The female version of Clear Quartz, Snow Quartz provides peaceful energies in a whirlwind environment. It offers clarity of mind and aides in studying, as well as a reminder to finish that paperwork. Often found in gold mines, Snow Quartz is often used for prosperity and luck.

Physically, Snow Quartz helps bones, teeth, bone marrow and the absorption of calcium. It can soothe those facing early menopause as well as those already dealing with the symptoms. Snow Quartz is also helpful for lactating mothers.

Amethyst

Amethyst promotes love of the Divine.

Crystalline quartz in shades of purple, lilac or mauve is called amethyst, a stone traditionally worn to guard against drunkenness and to instill a sober mind. The word amethyst comes from the Greek meaning "without drunkenness" and amethyst is believed to protect one from poison.

It is used as a dream stone and to help insomnia. Put an amethyst under your pillow to bring about pleasant dreams, or rub it across your forehead to offer relief from a headache.

Power and Protection Stone

Ancient Egyptians used the amethyst guard against guilty and fearful feelings. It has been worn as protection from self-deception, as well as a protection against witchcraft. The amethyst has long been used to open the spiritual and psychic centers, making it one of the power stones. It is also used as a meditation aid when worn as a necklace.

Wisdom Stone

The amethyst is known as the Bishop's Stone and is still worn by Catholic Bishops. The amethyst symbolizes piety, humility, sincerity and spiritual wisdom. It is thought the amethyst is the perfect stone to symbolize The Age of Aquarius.

Healing properties of Amethyst

Amethyst is a gemstone often worn by healers, as it has the power to focus energy. A healer will usually wear several pieces of jewelry with amethysts set in silver, especially an amethyst necklace. The person to be healed will have an Amethyst to hold while the healing is being done. The healer will place another piece of Amethyst on the area of the body in need of healing, the heart or lungs usually.

Amethyst is used for problems in the blood and in breathing problems. Amethyst crystal clusters are used to keep the air and life force in the home clean and positive.

Amethyst clusters, points or several tumbled Amethysts placed in a window that receives sun most of the day are very beneficial to use in healing and to heal negativity in the home. Place Amethyst clusters, points or several tumbled Amethysts in moonlight and everyone in the home will be feeling calmer. Using an Amethyst as a meditation focus will increase the positive spiritual feelings. Amethyst helps overcome fears and cravings. It also helps relieve headaches.

Blue Apatite

Apatite is a dual-action stone, known for its positive use of personal power to achieve goals. It clears away confusion, apathy or negativity, then, stimulates the intellect to expand knowledge and truth, which may be used for personal growth or for the collective good. It is a Stone of Manifestation, promoting a humanitarian outlook and service to others.

Blue Apatite is a deeply spiritual stone with a cleansing influence on the aura, especially in the mental body - the vibratory level associated with psychic perception and paranormal abilities. It is a particularly strong stone to use in past-life or alternate-life work, because of its ability to access the energy levels where the Akashic records and an individual's soul patterns exist. It is

excellent as a dream stone for creative problem solving, and for vertical vision, where it is possible to see multiple levels of consciousness operating harmoniously and simultaneously.

Blue Apatite may be light, bright, or dark blue, sometimes within the same crystal. The name Apatite is derived from a Greek word meaning "to deceive" because the variety of colors and formations in which this stone occurs makes it easy to mistake for other minerals. It may be yellow, blue, green, brown, gray or colorless, but the Apatite stones used for metaphysical purposes are primarily higher-quality crystal pieces in blue, green and gold.

Apatite is also the stone associated with animal conservation, because it is composed of the mineral phosphate that makes up the teeth and bones of all vertebrate animals, as well as their horns, antlers or tusks.

Blue Apatite is a motivational stone, promoting independence and ambitiousness.

A stone of the Throat Chakra, Blue Apatite helps with public speaking and enhances group communication. Attuned to the Third Eye, it also improves concentration and memory skills, and is a good crystal for study purposes. It aids in time management when working on projects.

Blue Apatite is particularly supportive for business consultants, and account or investment managers. It is equally helpful in times of unemployment or a reduction in work hours to find alternative employment, and may be supportive of those forced into early retirement.

Blue Apatite can be used as a dream stone to access the subconscious for creative problem solving, as well as for exploring other lives and karmic patterns.

Apatite enhances creativity and awakens the finer, inner self. It is a stone of the future and brings knowledge to those attuned to it. It may be used as an interface point between consciousness and matter to translate our humanitarian aspirations into healing, information, communication and teaching.

Blue Apatite, when worn, carried, or used as an elixir, has successfully produced hunger suppression.

It also helps alleviate fear associated with dental treatment.
